Alphabet Explorers

Teachers, parents and caregivers will understand that children need several different means of identifying letters. As well as learning to read and write all letter forms, they must discover letter names and sounds.

Red Rocket Alphabet Explorers will help children to become familiar with the letters in several ways:

- by alphabet names
- as upper and lower case symbols
- by word and picture associations
- by sound associations
- by sharing rhymes (inside back cover)
- through practice of letter formation

Enjoy exploring letters together!

A chubby little snowman
had a carrot nose.

Along came a bunny,
and what do you suppose?

That cheeky little bunny
was looking for his lunch.

He ate the snowman's carrot nose,
Munch, munch, crunch, crunch!

"Around.
Down, up and over."

"Around.
Down, up and over."
